

REMARKS

Claims 1-18 are now pending in this application.

The specification, abstract, and claims 1, 3, 4, 8, 11, 14 and 17 have amended to more clearly identify the invention. Reconsideration of the application as amended, is respectfully requested.

Claims 1, 3, 4, 8, 11, 14 and 17 are objected to because of informalities. Because these have been addressed, this rejection should now be withdrawn. In particular, claims 1, 8 and 14 are objected because of the use of $G_o(t)$, $V_o(t)$. Further Claim 1 and 8 are objected to because of the limitation of “determining an dynamic gray level”. Claims 3-4 are objected to because of the use of $G_o(n)$ and $G_o(n-1)$. Claims 11 and 17 are objected to because of ODV and $G_d(t)$.

Claims 1, 3, 4, 8, 11, 14 and 17 have amended to more clearly identify a novel and non-obvious aspect of the present invention. Support for these amendments can be found on Fig.1 and specification of the present invention.

Claims 1 and 8 stand rejected under 35 USC §112 second paragraph. This rejection is respectfully traversed.

The words “forward pixel” in claims 1 and 8 are a typographical error, as reference to page 7 lines 27-29, “making it possible for the pixel to switch its status forward to G within a single time frame.

In view of the foregoing amendments and remarks, it is requested that the objections and rejections of the record be reconsidered and withdrawn, and that the application be found to be in allowable condition.

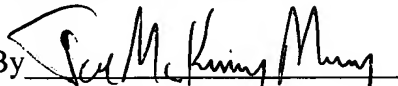

In view of the foregoing amendments and remarks, favorable reconsideration and an early Notice of Allowance are earnestly solicited.

In the event there are any outstanding matters remaining in this application, the Examiner is invited to contact the undersigned (703) 205-8000 in the Washington, D.C. area.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to our Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under § 1.17; particularly, extension of time fees.

Dated: November 28, 2005

Respectfully submitted,

By
